DID YOU KNOW? FUN FACTS FOR SOCIAL MEDIA

These fun facts about the world's most iconic real estate board game will engage students during your Monopol-EATS! event. Use them on social media or post them in the dining hall to keep student interest high!

- Monopoly was created by the Parker Brothers and is subtitled 'The Fast-Dealing Property Trading Game.'
- The earliest game can be traced back to 1903.
- Over 275 million games have been sold worldwide in over 111 different countries and translated into 43 languages.
- The longest-running game lasted for 70 days straight.
- Tokens have included elephants and purses.
- During the 1970s, a Braille version was created for those who are visually impaired.
- In 1972, the Commissioner of the Public Works wanted to rename places on the board, but the public stopped him.
- Icons have been featured on postage stamps.
- More than six billion houses and 2.25 billion hotels have been made.
